

TN

\* Required

St Consumer  
Choice

- Tighten up Overview. Shorten it
- Course application - Rec undergraduate level
- Table 1 - is "Total Items" a better title?
- Tables 2 - 5 - check table title's + headings
- Table 3 Bonferroni table could be used a different significance ~~rate~~ <sup>bonferroni</sup>
- DG's could include statistical techniques OR include Stats techniques in CI
- I think CI mention stats techniques  
Then for grad level

~~Required~~
