Questions should be in question format

May not be enough information in case to answer the questions - Need to add information to CI

Consistency between CI + TN is lacking ^{info} for Human Resources

Focus more on planning! not enough

Apply the functions of ^{planning, organizing, leading, controlling} management in 1st question

Hospitality + Tourism should be added as key words

~~Do you want to go to textbook or CI process? (tell to Kelly)~~
Appears to be a great organizing case
